What volunteering are you interested in?

Currently we are looking for help to redevelop the HSBC building in Wellington, then we will be looking to staff it with volunteers. We would love to hear how you can help us either now or in the future to give Wellington a Community Arts Centre, cinema and bistro café.

If you are not sure how you can help, tell us a little about yourself – there will be something you can do to assist us! Below is an idea of what we are looking for:

Phase 1 - the redevelopment phase – we will be looking for:

Painters and decorators, anyone with building skills (electrical plumbing etc), DIY enthusiasts, general cleaners, window cleaners, tea makers, someone with marketing and promotional experience.....

Phase 2 – the operational phase – we will be looking for

Café workers, bakers, chefs, servers, front of house, administration, anyone with projectionist skills, event management, cleaning, reception.....

The list is endless – and you can be sure we can make use of your skills. If you do not have relevant skills or experience but wish to learn specific skills – we want to hear from you as well, we can buddy you up with someone with experience and you can learn as you volunteer.

Please note you may be required to undertake regulatory checks prior to volunteering.

Please use this space to tell us what you can do to help, and/or a little about yourself (please use an additional sheet of required)

Please tick to confirm you are over 18 years old

If you are under 18, we would still like you help but will require parental consent, which we will contact you to arrange
