1. Hire of the cinema while it is not in use for a maximum of 3 hours - £220 incl VAT
2. Hire of the cinema evenings and afternoons will incur a premium circa £110 - £220 extra dependent on day and time as we will have to close to the public
3. Cost of film circa £150 – £200 extra – dependent on distributor
4. We can also offer buffet, cakes, red carpet, cocktails, party packs, photographer at additional costs.

If you would like us to confirm a quote please contact us giving date, time, film and any extras you require and we would be happy to provide a personalised quote for your event.
